WHAT WE'RE ABOUT...

The Chalice Morris Men formed in 1973, so that's over 50 years of keeping the long tradition of male fertility dances going strong.

We meet every Thursday at the Parish Hall, Brent Knoll, TA9 4EH from September to April to practice our existing repertoire of dances and learn new ones. Then during the summer months we dance out most Thursday evenings at local pubs and also at fetes, folk festivals etc.

As a team we also go away some weekends to join other morris teams for a very enjoyable weekend of dancing and singing.

GET INVOLVED

We would dearly love to have more new members, either to join us as dancers or musicians.

If you would like to join us please keep in touch and perhaps come out to more of our summer evening meetings and get to know us and then join us for autumn practice.

Whatever happens you can contact us via the website or phone Bob or Martin. If you like music, dance and good company then you will probably enjoy the morris and especially Chalice Morris.
